READY IN 5 DAYS

RESCUED · RECOVERING · READY TO LOVE

She lost an eye. Not her spirit.

Found alone on the street, the runt of her litter, with one eye badly infected. We trapped her and rushed her to the vet.

The eye had been lost in a fight, so she had surgery. She's healing fast and has nowhere to go. **She doesn't belong on the street.**

قطة صغيرة تبحث عن بيت محب

WEIGHT	400 g → 600 g
READY	In 5 days
NOW AT	Arabian Paw Vet
GENDER	Most likely female

Her progress so far
